

Year 7 – Flight Enrichment Activities Autumn Term 1 – 2023 / 2024

This terms theme for year sevens personalised extra-curricular activities is **flight**. You will need to elect a subject area from below that you are interested in and complete the 5 week programme for that subject. At the end of the 5 week programme, you will showcase the new skills that you have mastered in a celebratory evening with your parents in the hall.

All clubs run on a Tuesday between 3:00pm and 4:00pm.

<p>Science – S5</p> 	<p>Trampoline Club – Sports Hall</p> 	<p>Building a Brand Identity – E36</p> 
<p>Learn how fireworks are made and what makes the different colours</p>	<p>Develop your trampolining skills and create your own 10 bounce routine</p>	<p>Create your own brand identity for an airline start-up company.</p>
<p>Scratch Club – E33</p> 	<p>Art and Photography – V5</p> 	<p>Maths – Maths Department</p> 
<p>Learn how to program using the visual programming language Scratch. You will build your very own flight game.</p>	<p>Experience the wonders of photography and flick books where the focus will be on flight.</p>	<p>Experiment with paper aeroplanes to see who can throw the farthest and fastest.</p>
<p>Poetry Club – English Department</p> 	<p>Performing Arts – PA Department</p> 	<p>Food Technology – T5</p> 
<p>Looking at different poems surrounding flight, reading and practising delivery of these poems verbally.</p>	<p>Come along and join the performing Arts department for a FLIGHT themed sing along.</p>	<p>Come along to our FLIGHT themed cooking session where you can bake cookies and learn about in-flight meals. Act fast as there are only 12 spaces available!</p>
